Is abuse of the apostles and prophets is one of the freedoms of America!!!

هل الإساءة للرسل والأنبياء هو من الحريات الأمريكية !!!

Let me ... & Excuse me

Let me .. When the movie abuser of the our Holy Prophet (P. B. U. H.) by some misguided in the State of America ... They are known to respect for expression and freedoms in everything as long as not prejudicial to national security & does not affect her dignity ... I stay looking forward to what's going to happen from the reaction of the Arab and Islamic nation and its leaders and rulers and kings ... Unfortunately I was expecting a backlash ... Who is supposed to be Muslims ... But I like other who waiting and watching was surprised not to the expected reaction ... I mean the reaction that they do a war or kill their ambassador in Libya .. Or attack their embassy in the Arab countries, as we have seen ... But the reaction proportional to the tolerance of Islam and Muslims .. Reaction from countries supposed to be the land of religions and maintain any aggression or mockery of all the Apostles and religions and not the Holy Prophet (P. B. U. H.) only ... America is not on the cradle any religion we knew but quoted them these religions ... This should all know that the U.S. position on this abuse ... Not by U.S. hand anything to it originally is only continued Israeli schemes World ... No one denies this ... Israel has economic power and political and media in America Most countries in the world and this control in all U.S. and global decisions, especially those pertaining to the Middle East and the Arab countries ... Should not expect or wait for mother America positive attitude opposes interests her pampered daughter "Israel" ... No one knows definitively imposed controls on ... mother or daughter ... And we complement in the next issue that was in the old remain.. And Excuse me M. Waked
