Mohamed EFFAT .. King calls the Reigning Cartoons

By: Samir Abdelghany

Mohamed Effat chose to live alone in his isolated island apartment Shubra .. Think then think .. And then paints amazing drawings and provided fresh amateur art of caricature in the world.. The decision Effat's hard to be away from the ordinary and refined and near to the popular mood accustomed to people as they used to beans and falafel .. Effat chose to submit a food Mzaca different .. To that Bart Slath and time-consuming in the tabloids and newspapers modest .. But when I went to those who won celebrated with new and amazing and carved a niche for itself in the way of awards gold, silver and bronze .. And sometimes recognitions come from all museums brilliantly caricature celebrate his art .. Effat managed its expertise to reach the middle area between caricature and Fine Art .. Paints portraits of Egyptian environment quill dipped in the sun.. Although the artist has taught anatomy and perspective and philosophy of color through technical workshops with many European countries he visited .. But when he paints turns to a small child 10 years old or automatic artist in forty years of age paints scenes from childhood .. He says I do not know what colors will fabricators above painting I pour some of my soul on paper and some of the dreams of my childhood and gathered all the traditional ideas and threw out the wall and then draw brushing as it pleases to move .. As if I was watching the work is completed .. Line a small child and the color of joy making which Tmlany and I think in the receiver, who escapes from the whole world to look at my painting Vahol hard to sow hope and Mark world look more beautiful.

اختار محمد عفت ان يعيش وحيدا في جزيرته المنعزلة بشقة شبراً.. يفكر ثم يفكر .. وبعد ذلك يرسم رسومه المدهشة ويقدمها طازجة لهواة فن الكاريكاتير في العالم.. كان قرار عفت الصعب ان يكون بعيدا عن العادى والمكرر والقريب الى المزاج الشعبى الذى اعتاده الناس كما اعتادوا الفول والطعمية .. واختار عفت ان يقدم طعاما ذو مزاقاً مختلفاً .. لذلك بارت سلعته وقتا طويلا في الصحف الصفراء والجرائد المتواضعة .. لكنها ربحت عندما ذهبت لمن يحتفى بالجديد والمدهش وحفرت لنفسها مكانا في طريق الجوائز الذهبية والفضية والبرونزية .. واحيانا شهادات التقدير تأتى من كل متاحف الكاريكاتير احتفاءا ببراعة فنه .. عفت استطاع بخبرته الفنية ان يصل الى المنطقة الوسط بين الكاريكاتير والفن التشكيلي .. يرسم لوحات من البيئة المصرية بريشة مغموسة في الشمس .. ورغم قيام الفنان بتدريس علم التشريح والمنظور وفلسفة اللون من خلال الورش الفنية بالعديد من الدول الاوربية التي زارها .. إلا أنه عندما يرسم يتحول الي طفل صغير عمرة ١٠ سنوات او فنان تلقائي في الاربعين من عمرة يرسم مشاهد من الطفولة .. وهو يقول لا أعرف ما هي الالوان التي سوف اضعها فوق اللوحة انا اسكب بعضا من روحي على الورق وبعض أحلام طفولتي واستجمع كل الافكار التقليدية والقي بها عرض الحائط ثم ارسم بالفرشاة كما يحلو لها ان تتحرك .. وكأننى اشاهد العمل وهو يكتمل .. الخط لطفل صغير واللون من صنع البهجة التي تملؤني وأنا افكر في المتلقى الذي يهرب من العالم كله لينظر في لوحتى فأحاول جاهدا ان ازرع الامل بها واجعل الدنيا تبدو اكثر جمالا.

America is playing the piano on the blood of the Middle East! أمريكا تعرف البيانو على دماء الشرق الأوسط إ

Let me ... & Excuse m e

Let me .. The most masks and still fell facts emerged one after the other ... Facts that did not believe her the majority of the peoples of the Middle East .. They thought they had revolutions of the Arab Spring to cleanse the Arab world of corruption .. Did not know that they implement schemes for the benefit of America and in favor of Israel in their area .. America plays and composes brilliantly and skill like best pianist .. Unfortunately find it unbelievable and listen to them and implement them .. They like me by famous Greek pianist Yanni .. But a far cry from the difference between the two .. Yanni plays and innovate for the enjoyment of art lovers .. America is playing and bleed for the enjoyment of pampered daughter of Israel .. Has become the Middle East more blood than ever before .. The American-Israeli ambitions became more aggressive and clear .. And return America and called what is happening in the region to democracy.. Any kind of democracy are you talking about .. Words and slogans play out in favor of Israel .. Divided nations and peoples .. Fragmentation of the sons of one country to the views and ideas and multiple directions and ultimately for the benefit of this .. We see also claimed America as the Arab Spring revolutions .. Unfortunately we did not find a revolution succeeded, but all the Arabs schemes .. Days prove this the other day after .. Here is blood flowing in the streets of Syria .. Then comes Israel and carry out military operations against the people of Gaza and shed blood in the streets of Gaza again like are usually yearly to Israel America defends her daughter .. With the change of the Arab regimes, but we find them as their predecessors .. We condemn and denounce and reject .. Without any strong reaction .. My fear .. This is a fact.. Be changing Arab regimes are only another step to complement the American-Israeli plans to control the Middle East and the Sinai and Suez Canal .. The establishment of a strong military base can control America and control the whole world from east to west as always dreamed cousins Sam .. But I do not think they could achieve this dream .. I also am afraid again that the Arab people do not wake up from these schemes in a timely manner.. And Excuse me M. Waked
