

AXIÁL International Cartoon Contest | 2012

Theme: Machines in agriculture, construction and warehousing

The Baja based AXIÁL Ltd. – a retailer for agricultural, construction and warehousing machines – calls for an International Cartoon Contest.

The brands marketed in Hungary by the company: *Agrifac, Annaburger, Budissa Bag, Framest, Berthoud, Gregoire Besson, Horsch, Hyundai, Gehl, Supertino, Sulky, CLAAS, Tume, Monosem, Oehler, Romill, Fendt, Manitou, Landini, OMG, CLM, Arcusin, Supertino, Hidromek and RMH.*

All entries must feature a machine marketed by AXIÁL Ltd. (see above). You can choose whichever you want: a tractor, an earth mover, a fork lift or other.

These machines can be viewed at www.axial.hu !

Apart from the one condition above, you can unleash your imagination! The world of work in agriculture, the construction industry or warehouses must give you plenty of ideas!
