123 countries on planet Earth have organized “car-doctors” for help on all roads, tunnels, runways, parking lots and who knows where more. Soon as they cough, stop and smoke goes out of them or just stood “hungry” without oil, petrol, petroleum and in recently time out of gas, electricity, water and who knows whereof more, and here comes quickly car help.

This years 5th jubilar Exhibition will be announced in all 123 countries of the World in wich a good “health” of our “tin pets” is a constant care – wherever they are.

Dear caricaturists of all countries we expect your “help on paper” for the cars who sudnly stoped to function.

We insured enough space for all yours appreciated cariacatures.
