OUR DAILY CROWD

Crowding is not only caused by people in narrow streets, in elevators, buses and trams.

The **crowd** is made by cars for a reason and for no apparent reason.

It's **crowded** on the terraces, in the bars, especially when it gets cold outside.

Dogs (and cats) stir up the **crowd** with their bigoted behavior.

There is a **crowd** in the head when obligations exceed all measures.

There is a **crowd** in front of the goal (and the basket) but also in front of the garbage containers that are not emptied on time.

There is a **crowd** in front of the counters and cash registers when saving on staff or when staff enjoy creating **crowds**.

Crowds are an opportunity to meet and make friends with like-minded people, but also a scenario for a fight.

There are hundreds of reasons to **crowd**. They are part of everyday life, as an existential tendency to escape from danger.

Crowds are also the fruit of greed.

Crowding is also among the objects in the careless accumulation of products and garbage.

There is a **crowd** in the media space and on social networks.

The only solution to the crowd is desolation and solitude.

GUŽVA NAŠA SVAGDAŠNJA

Gužvu ne čine samo ljudi u pretijesnim ulicama, u lifovima, autobusima i tramvajima.

Gužvu čine i automobili s razlogom i bez vidljivog razloga.

Gužva je na plesnjacima, u birtijama osobito kad vani zahladi.

Gužvu zakuhaju psi (i mačke) svojim netrpeljivim ponašanjem.

Gužva je u glavi kad obaveze pređu svaku mjeru.

Gužva je pred golom (i košem) ali i pred kontejnerima koji se ne prazne na vrijeme.

Gužva je pred šalerima i blagajnama kad se štedi na osoblju ili kad osoblje uživa u stvaranju **gužve**.

Gužve su prilika za susrete i sklapanje prijateljstva s istomišljenicima, ali i scenarij za tučnjavu.

Ima stotine razloga za **gužvu**. One su dio svakodnevice, kao egzistencijalna sklonost u bijegu od opasnosti.

Gužve su i plod pohlepe.

Gužva je i među predmetima u nemarnom gomilanju proizvoda i smeća.

Gužva je u medijskom prosoru i na društvenim mrežama.

Jedino razrješenje gužve je pustoš i samoća.
